### **Annual Cabaret in Remembrance of Reema Samaha to be held June 15**

CHANTILLY, VA- The annual Remembrance Cabaret in honor of Reema Sahama, who was killed during the Virginia Tech Tragedy on April 16, 2007, will take place at [Westfield High School](#) on Saturday, June 15<sup>th</sup>. Talented young people will perform in a variety of different acts including dance, music, and comedy. The dancers, singers, artists and actors will take the stage starting at 7 p.m. This is a free event, but all donations are welcome. Donors may choose between [The Reema J. Samaha Memorial Scholarship Fund](#) and/or [Angel Fund](#). The Scholarships are awarded to students at both Westfield and Herndon High Schools.

Indulge in some sweet treats and browse the Silent Auction the hour before the performers take the stage. Enjoy homemade goods from talented bakers throughout the community or bid on a variety of different items ranging from an autographed football from the Washington Redskins, an autographed baseball from the Washington Nationals, Nationals tickets, a round of golf at Evergreen Country Club, an 8-person tour of Air France Airbus, various artworks, and other great items. Proceeds from the bake sale and silent auction will also go to The Reema J. Samaha Memorial Scholarship Fund and the Angel Fund.

Although all of the performers may not have personally known Reema, the Cabaret is a time for everyone to gather and remember Reema, and the contributions she made to the performing arts. Come to #ReemasCabaret (Twitter hashtag) to enjoy a show filled with laughs, love and memories in Reema's honor.
